### **Reflect**

This weekend, Naeem Fazal told his amazing story. Usually we prepare some questions for your group to discuss in response to the message but this week, let's do something different.

We want you to spend some time sharing your own stories. Tell the rest of your group what brought you to where you are today. Sharing our own story and hearing others share their stories is a vital step towards creating community.

So take some time and share your story. Remember to be mindful of the time – we want everyone to have a chance to share.

### **Respond**

- What do you feel like God is asking you to do in response to hearing these stories? What is your next step?
- How can your Small Group support you and hold you accountable in this?
