

Small Group Questions: Grow Your Faith
©2019 Seacoast Church. All Rights Reserved

Pastor Josh Walters discusses four things that will help us grow our faith well:

1. We need other believers.
 - a. In addition to meeting in a small group, how can you encourage one another when you're not together?
 - b. How can you make an effort to be available for members of your group?
2. We need to study God's Word.
 - a. In what ways do your thoughts about God reflect who you are?
 - b. Have you established a regular rhythm in your day for reading the Bible? How can you help each other do that?
3. We can pray.
 - a. Why do you think God wants to have a conversation with us? (Psalm 55:22; Psalm 145:18; Jeremiah 33:3; 1 Peter 5:7)
 - b. What have you learned about God through praying?
 - c. What is the common result of prayer? (Philippians 4:6-7)
4. We can worship.
 - a. Why do you think it's important to God for his people to join together for regular worship?
 - b. What are some ways you can be intentional about getting to know God's family during a weekly worship service?

Going Deeper (Optional: Here are a couple questions for groups who would like to dig deeper into the referenced Bible passages.)

Read: Matthew 13

In the parable of the man scattering seed, some of the seed fell on rocky places and some among thorns. Still other seed fell on good soil. The good soil produced a hundred, sixty, or thirty times what was sown.

1. How and where are you sowing and watering seeds so they produce a good crop?
2. How has sharing your faith encouraged others to grow theirs?
