### Reflect

During this time when the earth is being shaken, how can we, as Christians, hold on to “that what cannot be shaken”? No matter how we feel currently, how can we - ultimately - not be shaken?

Pastor Josh Surratt describes how we can respond during this time of shaking:

1. During the shaking, what’s in you is being revealed.
  - a. What is being revealed in you - panic, anxiety, anger, or a lack of patience?
  - b. What are some positive ways God is growing you?
  
2. During the shaking your foundation is being tested.
  - a. What does your response to your current circumstances reveal about your foundation?
  - b. What steps can you take to build your foundation more solidly on Jesus?
  
3. During the shaking, who you walk with will determine how you walk into the future.
  - a. Pastor Josh provides four practical steps for walking more closely with Jesus. Which of these would you commit to working on this week?
    1. Return to a place of ferveat prayer.
    2. Limit your intake of bad news.
    3. Stay connected with your church family.
    4. Refuse to silence your worship.

**Respond:** Where is God leading you? How can your small group support you?
