

Custom Student Ministry

**Message Title:** Community

**Series:** What's Good, Fam?

**Scripture:** Romans 15:7, Acts 2:42-46 & 1 John 1:7 **Application:** You want/need community and I don't know what to do? Here's help!

### **Series Overview**

What's Good Fam will take a look at RELATIONSHIPS! We started by looking at friendships; then we checked out romantic relationships last week with Pastor Josh & Lisa; **this week we venture into seeking out community**; and we wrap up What's Good Fam with week 4 diving into how to navigate conflict in relationships.

### **Message Overview**

Being a young Christian can be hard. Doing it alone can be more difficult. In our walk with God we can sometimes feel like we are alone but being a part of the Custom Community means your never alone! Learn how to involve yourself more with the community and make family out of other students who are on the same walk! With a few easy steps, you can be well rooted! As you follow Jesus and grow our own faith, we can be with you every step of the way! All you have to do is lean in!

### **Small Group Questions**

- 1.) Are you connected into the big CC? If so, are you rooted?
- 2.) What are some ways you can commit to a small group?
- 3.) Who in Custom do you consider family? What role do they play in your life?
- 4.) What are 3 ways you can "invest" in someone without spending money?
- 5.) Is there a moment or memory that you're willing to share? Maybe a first friend or first time in a small group
- 6.) Who is your go-to person for secret keeping? Are they helping you grow?

### **Application**

Life can hit hard sometimes, and we may not be able to stand back up but being surrounded by a community of believers can help us through those moments. Challenge yourself or even a friend that you know isn't as connected as you to get plugged into the Custom Community. It can bring wellness to your life or to that friend's life!
