Reflect:

Pastor Adam Martin answers three questions using biblical evidence to support the validity of the Bible.

1. What Is The Bible?

- a. Read these Bible verses: Hebrew 4:12; Psalm 119:105; 2 Timothy 3:16; Isaiah 40:8. What do these passages tell us about the Bible?

2. Can We Trust The Bible?

- a. Discuss some of the evidence used to discuss why the Bible can be trusted. Which evidence resonated with you?
- b. Pastor Adam claims that many of us have grown up to be skeptical and questioning, but maintains God is ready for whatever questions we might have. What questions do you still have about the Bible?
- c. Are any of your questions about the trustworthiness of the Bible acting as stumbling blocks to your belief?

3. Why Does It Matter?

- a. Why is it so important that we look intently into the Bible, as it says to do in James 1:25?
