John 14:1-7

Reflect

During this series, we are looking at what we believe as a church and why it matters. In this message, Pastor Josh Walters unpacks John 14:1-7, where Jesus reveals who he is, and explores what Jesus's identity means to our lives today.

1. Jesus is the way.

- a. What expectations have you been adding to your faith in Jesus as a requirement for you to feel right with God?
- b. How has this added pressure been affecting your walk with God?
- c. What can you do to let go of the things you have added to Jesus?

2. He is the truth.

- a. What "truth" are you living out of about God?
- b. Where did you get this perception – from past experiences, hurts, or relationships?
- c. How does this falsehood affect your relationship with him?

3. He is the life.

- a. How does your faith give you life now – not just in eternity?
- b. Do you have any stories of people you know personally whose lives have been changed by their faith in Jesus? Share them with the group to encourage everyone!

Respond: Where is God leading you? How can your small group support you?
