**Message Title: You Only Live Forever**

**Series: Shatter-Proof Glass**

**Scripture: John 12:44-50**

**Application: Have you thought about eternity?**

### **Series Overview**

In a world where seeing is believing, we want to help equip students to be able to not only wrestle the questions that they have in their faith, but be able to defend their faith to others who are questioning. We want to get them the knowledge to understand and know why they believe what they believe.
