#### **Reflect**

In the final days of Jesus' life on earth, he asks his disciples to stay awake all night to pray with him. As the soldiers approach to arrest Jesus, a fight erupts, but Jesus stops the violence by saying "No more of this!" Pastor Josh Surratt describes three things that Jesus might say "no more," if he were on earth today.

#### **No More Of What?**

##### **1. No more taking matters into your own hands.**

- a. What is the first thing we should do when we get in a tough situation?
- b. What wars are still being fought in your life because you or someone you know took matters into their own hands?
- c. What area of your life are you trying to take matters into your own hands?

##### **2. No more reacting in anger**

- a. What are the three steps from scripture that we can take to avoid reacting in anger?
- b. What can you implement in your life to help you react in love?

##### **3. No more cutting off the worlds ability to hear Jesus.**

- a. What are some ways that Christians are making it hard for the world to hear Jesus?
- b. What sacrifices are we making when we "cut off the ear" of the world?
- c. How can we live as the healing hands of Jesus?
