Reflect:

Our worldview is the framework that shapes much of who we are, which is why Pastor Jon Hohm calls us to reflect on how our beliefs affect our behavior and the commitments we make in our life.

Break the Mold

1. WHAT YOU BEHOLD SHAPES WHAT YOU BELIEVE AND CHANGES HOW YOU BEHAVE

- a. After reading the NIV/NLT/MSG versions of Romans 2:2, reflect on your understanding of faith: Do you feel the world or God and his word at the forefront of your faith?
- b. What patterns of behavior based on the world might require a renewal of mind?

2. COMMITMENTS ARE BORN OUT OF CONVICTION, NOT CONVENIENCE

- a. What “guard rails” or convictions do you feel are important for a Christian living in our times?
- b. Are there any current issues you are dealing with in your life where you need to H.A.L.T. and renew your mind?
- c. What are you currently battling in your mind? What “lid needs lifted” in your life?
