

## On My Block: Care for the people in your neighborhood

Compassion is caring enough to do something about someone else's need.

### Bible Story

#### Jesus Heals Bartimaeus

Mark 10:46-52

Make time to help others.

### Morning Time

Start your kid's day off by bragging on them by letting them know of something nice you've seen them do or say to help someone else.

### Meal Time

At a meal this week, plan a day when everyone in the family is available, and use that day to help someone, a family, or an organization in need. If you need some ideas, contact your church or local school for suggestions.

### Drive Time

While on the go, ask your kid: "What do you like most about where we live?"

### Bed Time

Pray for each other: "God, when we get busy, help us to realize the things we should take time for—like stopping to help someone, or making them feel valued and special by simply listening."

### MEMORY VERSE

"The Lord has shown you what is good. He has told you what he requires of you. You must act with justice. You must love to show mercy. And you must be humble as you live in the sight of your God."

Micah 6:8, NlrV
