### **Reflect**

When Jesus spoke to the crowds, from the mountainside, he taught about taking the right road. He explained that the wide gate and broad road lead to destruction. Jesus said, "But small is the gate and narrow the road that leads to life, and only a few find it."

Pastor Josh Surratt highlights the following:

#### **1. Determine the right road.**

- a. Describe the relationship we are supposed to have with our fathers. Give an example of a healthy relationship with your earthly father. Do you also have this kind of relationship with God?
- b. Consider the five types of fathers discussed: Irresponsible Father; Ignorant Father; Inconsistent Father; Involved Father; Intentional Father. What actions make you an intentional Christian?
- c. Read and discuss John 10:9. What is the "pasture"?

#### **2. Assess the key markers on the road.**

- a. What example do you provide with your speech? Do your actions reflect kindness and love?
- b. What changes can you make to improve your actions?
- c. We all stray from the narrow path, what helps you to return to the right road?

#### **3. Decide to finish the journey.**

- a. The Gospel of Jesus is a reminder that we don't get it right, all of the time. How does God try to keep us on the right path?
- b. Proverbs 24:16 tells us that the Godly fall many times. How do you encourage people around you to keep getting up?
- c. Can you see the road that God has given you? How are you following his guidance?

**Respond:** Where is God leading you? How can your small group support you?
