Reflect

We believe the tide is rising at Seacoast Church and that God is going to lift some things off of us so that we can live more fully as his believers and messengers to the world. In this message, Pastor Adam Martin uses a vision from Ezekiel in the Old Testament to show us how the rising tide will work practically in each of our lives.

1. The source of rising water

- a. What do you try to add to God?
- b. How have you tried to find hope, healing, peace, and joy in your life apart from God? How did that turn out, and what difference do you think would be made if you include God?

2. The power of rising water

- a. Water moves things. Is there anything in your life that needs to be moved around?
- b. When do you find yourself slamming on the brakes when God is working in your life?
- c. What do you think God has started in you that isn't quite finished?

3. The purpose of rising water

- a. What do you need to surrender?
- b. Tell us about a time you thought you were going to drown in your circumstances? How did God rescue you?
- c. Peace doesn't come from a life of still water; it comes from having Jesus in your boat when a storm hits. How do you struggle to believe this truth?
