Reflect

God wants to take you on the greatest adventure of your life. But, sometimes you have to face your greatest fears to experience all that he has planned. God promises to go with you, but you won't go anywhere until you agree to the first step.

Lisa Surratt uses the story of Gideon and gives us four ways we can step into the adventure God has for us.

1. Know Who You Are!

- a. What lies are you believing about yourself? What is the truth?
- b. How has your family shaped what you believe about yourself?
- c. Where has God shown up in your life to tell you who you really are?

2. Let's Stop Hiding!

- a. Why do you think you hide from the adventure?
- b. How has God revealed himself to you when you've tried to isolate yourself?
- c. In what ways do you hide from opportunities that God has presented you?

3. Go Afraid And Watch Him Do It!

- a. What is paralyzing you from going where God has called you?
- b. Who has God sent with you for support?
- c. How can you live like the enemy is already defeated?
- d. What results have you seen when you've moved forward despite fear?

4. Don't Miss The Adventure!

- a. What have you missed out on because you were full of fear?
- b. What areas of shame do you need to release so you can experience the adventure?
- c. Where have you seen God's power have a ripple effect in your life?
- d. What mission or adventure has God called you to in this next season that is going to reassure your faith?
