Pastor Josh Walters explains the purpose, importance, and power of prayer.

Read:

1 Corinthians 12:12-20

Reflect:

1. We are a body

- a. Who are the people in my life that I do not consider a part of 'the body?'
- b. How do I treat these people on a regular basis?
- c. Why am I excluding them?
- d. How can I work toward inclusion and compassion toward them?

2. Bodies need healing

- a. What area of my life have I 'lost the passion to pray?'
- b. What barriers keep me from asking for prayer from my community?
- c. How vulnerable do I allow myself to be when asking for prayer from others? Or when speaking directly to God?

3. Healing happens through prayer

- a. Describe a time when you received an answer to a prayer.
- b. Describe a time when the answer was not what you wanted. What was your reaction? What did you learn from this?
- c. Why is the community, the body, so important to prayer? Why is who we choose to pray with so important?

Respond:

What is God saying to you and how can your small group support you?
